- b) effective use of funds; and

The selection committee will be chaired by the Deputy Dean (Research) CHM and will include School Directors or one nominated academic representative each from the National Centre for Epidemiology and Population Health (NCEPH) and the John Curtin School of Medical Research (JCSMR), two representatives from the School of Medicine and Psychology (SMP) (from each discipline respectively), the Associate Dean HDR CHM, and two healthcare provider based clinician-researchers to be determined by the Deputy Dean (Research).

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

8. CONCURRENT HOLDING OF AWARDS

A recipient is permitted to hold other scholarships, awards, grants and bursaries concurrently with this Award, provided the terms of the other scholarship permits this also.

11. SUSPENSION OF AWARD

A recipient may apply to the College for suspension of their Award. A suspension may be appropriate if a recipient is studying at another institution and receives an award for that study. In these circumstances the duration of the Award will be reduced by the periods of study undertaken towards the degree during suspension of the Award (unless the study was undertaken overseas as part of a Commonwealth Government financially supported international postgraduate research scholarship or award).

The University may suspend the Award where a recipient has:

- a) outstanding fees; or
- b) an outstanding debt with the University; or
- c) outstanding HDR program milestone/s; or
- d) been found to be in breach of a statute, rule or policy or procedure of the University.

The Award will be suspended when at least five working days have passed since the University advised the recipient in writing that the milestones, debt and/or fees are outstanding, until the milestones have been met or the outstanding fees and/or debt have been paid. Under these circumstances, the recipient will forfeit payment of the Award for the period of time that their Award is suspended.

12. CESSATION OF AWARD

The Award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements;
- (b) at the conclusion of the period outlined in section 3;
- (c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;

- (e) if a recipient changes their program or course without permission to retain the Award;
- (f) if a recipient breaches academic or behavioural standards set by the University under the Discipline Rule (2021) and Academic Integrity Rule (2021);

whichever is earliest.

13. REPAYMENT OF FUNDS

A recipient who is taking leave from their program, or changing their enrolment intensity from full-time to part-time, must submit the prescribed [Manage My Degree - HDR](#) form in a timely manner and, where possible in advance, in order to avoid receiving an overpayment of their Award. In circumstances where an overpayment does occur, these will be recovered in accordance with the ANU Procedure - Overpayments.

14. PROVIDING FALSE OR MISLEADING INFORMATION

The Award is based on the information provided to the University. The Award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment for the Award.

15. VARIATION TO CONDITIONS OF AWARD

In exceptional circumstances and on a case-by-case basis, section 7 of these Conditions of Award may be varied by the Dean on the recommendation of the chair of the selection committee.
