1. INTRODUCTION

Each year the John Curtin School of Medical Research (JCSMR) in the ANU College of Health and Medicine may offer an award known as the Dewar Milne Prize in Immunology.

Funding for this Award has been provided by John Dewar Milne, a graduate of the ANU.

The objective of the prize is to acknowledge a high-achieving research candidate who has carried out the most significant piece of research during their doctoral candidature, whilst enrolled in a PhD program based in the College of Health and Medicine.

2. ELIGIBILITY

The Award is available each year to a person who was awarded the degree of Doctor of Philosophy in the previous year for research conducted at JCSMR in the field of immunology.

3. PRIZE APPLICATION

There is no application required to be considered for this prize.

4. SELECTION

The Award will be recommended by the JCSMR Scholarship Committee (“the selection committee”). The recommendation must be approved by the JCSMR School Director or their nominee.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

5. PROVIDING FALSE OR MISLEADING INFORMATION

The Award is based on the information provided to the University. The Award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment for the Award.

6. VARIATION TO CONDITIONS OF AWARD

In exceptional circumstances and on a case-by-case basis, these Conditions of Award may be varied by the Associate Dean HDR on the recommendation of the Director of JCSMR.

7. PUBLICITY

The recipient may be requested to participate in publicity for the Award from time to time. This may include publicity in the state or territory of residence or of schooling. Recipients may be contacted for an interview and photograph. The University may also publicise the Award by publishing the names of the recipients.
