JENNIFER WANLESS AND ELIZABETH BRADFORD SCHOLARSHIP CONDITIONS OF AWARD

1. INTRODUCTION

Each year the ANU College of Science ('the College') may offer an award known as the Jennifer Wanless and Elizabeth Bradford Scholarship ('the Award').

The objective of the Award is to support high achieving women to continue their undergraduate studies and work towards a major in the following STEM subjects: physics, earth sciences, astronomy, chemistry or mathematics.

Funding for this Award has been provided by the children of Jennifer Wanless including Professor Erica Wanless, Mr David Wanless and Professor Ian Wanless. Jennifer Wanless and Elizabeth Bradford became life-long friends having met during their studies at ANU: Jennifer completed a BA and Elizabeth became the first woman to complete a PhD in Physics at ANU (1962).

2. BENEFITS

The value of the Award is stated in your letter of offer. The duration of the Award is for the remaining duration of the program the Award was given to support, or up until the maximum value of the Award has been exhausted. The Award is paid in equal instalments after census date each semester unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of the Award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The Award is available each year to a continuing ANU student who:

Scholarships website. The application and all supporting documentation (where applicable) must be submitted on or prior to the closing date published on the ANU Scholarships website.

5. SELECTION

Only applicants who meet all the eligibility criteria will be considered. Selection is made on the basis of academic merit and responses in the application for the Award. Preference may be given to students who do not currently hold an ANU Academic scholarship.

The Award is offered to a student by a selection committee chaired by the Associate Dean (Education) which will also include representatives from the College's Research Schools.

The selection committee will endeavour to award the scholarship to a student progressing towards a different major from the most recent previous recipient.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

6. CONCURRENT HOLDING OF AWARDS

A recipient of the Award is permitted to hold concurrent student financial awards as outlined in the ANU coursework scholarships, grants and bursaries procedure.

7. DEFERMENT

The Award cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this Award is required to enrol in courses that count towards the major requirements as outlined on the Programs and Courses website each semester, and in a full-time load of 18 to 24 units per semester. A recipient requests permission, in writing, from the Associate Dean (Education) to hold the Award on a part-time basis. If approved, payments of the Award will be made on a pro-rata basis.

Recipients are expected to maintain a Grade Point Average (GPA) of 5.0 or above each semester (with the average being across all courses taken in a particular semester or session/s overlapping that semester).

If a recipient is unable to achieve the GPA in any semester a formal warning will be sent.

If the recipient does not meet the required GPA in a subsequent semester, they risk having the Award suspended or terminated.

A recipient is given the opportunity to explain their performance and how their performance can be remedied before a decision on the suspension or termination of the Award is made.

Recipients are expected to continue study towards completing the eligible major.

9. CESSATION OF AWARD

The Award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements;
- (b) at the conclusion of the period outlined in section 2;
- (c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;
- (d) if a recipient fails to enrol as required in section 8;
- (e) if a recipient changes to part-time enrolment without receiving permission to retain the Award;

- (f) if a recipient changes their program or major without permission to retain the Award;
- (g) if a recipient fails to meet the minimum academic performance requirements; or
- (h) if a recipient breaches academic or behavioural standards set by the University under the Academic Integrity Policy and/or the Discipline Rule;

whichever is earliest.

10. REPAYMENT OF FUNDS

Subject to the information available at the time, the Associate Dean (Education) may request that the payment for the semester in which the breach of conditions or withdrawal occurs be refunded in part or in full.

11. PROVIDING FALSE OR MISLEADING INFORMATION

Selection for the Award is based on the information provided to the University. The Award may be withdrawn at any stage if incorrect, false or misleading information is provided, or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment for the Award.

12. VARIATION TO CONDITIONS OF AWARD

In exceptional circumstances and on a case-by-case basis section 7 of these Conditions of Award may be varied by the Dean on the recommendation of the chair of the selection committee.

Recipients are responsible for seeking independent taxation advice regarding their own individual circumstances. Student financial awards are regarded as taxable income if a recipient is enrolled on a part-time basis. If you are receiving Centrelink benefits, student financial awards may impact your Centrelink payments.
