ALEKSANDER VARGA MEMORIAL BURSARY CONDITIONS OF AWARD

1. INTRODUCTION

Each year the ANU College of Engineering, Computing & Cybernetics ('the College') may offer an award known as the Aleksander Varga Memorial Bursary ('the Award').

The objective of the Award is to assist students who demonstrate hard-working, 'all-rounder' qualities to study engineering at the ANU College of Engineering, Computing & Cybernetics.

Funding for this Award has been provided by the family to commemorate the life of Aleksander Varga, an ANU graduate of the Bachelor of Commerce/Bachelor of Engineering from a rural background who was tragically killed in an automobile accident in May 2021.

2. BENEFITS

The value of the Award is stated in your letter of offer. The Award is paid in a one-off payment upon acceptance of the Award unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of the Award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The Award is available each year to a continuing ANU student who:

- (a) is a domestic student; and
- (b) is enrolled in at least their 3rd year of the Bachelor of Engineering or Bachelor of Engineering (Research and Development) single or flexible double degree offered by the College; and
- (c) demonstrates a commitment to contribute to and participate in their community; strives to work hard academically; and holds all-rounder qualities and approach to university life.

4. APPLICATION

The application is submitted on the prescribed form. Any requirement for supporting documentation and forwarding details will be stated on the application form and/or ANU Scholarships website. The application and all supporting documentation (where applicable) must be submitted on or prior to the closing date published on the ANU Scholarships website.

5. SELECTION

Only applicants who meet all the eligibility criteria will be considered. Selection is made on the basis of the supporting documents which demonstrate their involvement in their community and, if applicable, financial need. Preference may be given to applicants from a regional or rural background.

The Award is offered to a student by a selection committee chaired by the College Dean (or nominee) which will also include the Directors of the three schools (Computing, Engineering and Cybernetics) or nominee/s.

6. CONCURRENT HOLDING OF AWARDS

A recipient of the Award is permitted to hold concurrent student financial awards as outlined in the ANU coursework scholarships, grants and bursaries procedure.

7. DEFERMENT

The Award cannot be deferred.

8. ONGOING ELIGIBILITY

A recipient of this Award is required to enrol in a full-time load of 18 to 24 units in the semester in which the Award was given. A recipient requests permission, in writing, from the Associate Dean (Education) (or nominee) to hold the Award on a part-time basis. If approved, payments of the Award will be made on a pro-rata basis.

9. CESSATION OF AWARD

The Award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements;
- (b) at the conclusion of the period outlined in section 2;
- (c) on the date on which the recipient withdraws or ceases to attend the University other than for approved absences;
- (d) if a recipient fails to enrol as required in section 8;
- (e) if a recipient changes to part-time enrolment without receiving permission to retain the Award;
- (f) if a recipient changes their program or course without permission to retain the Award;
- (g) if a recipient breaches academic or behavioural standards set by the University under the Academic Integrity Policy and/or the Discipline Rule;

whichever is earliest.

10. REPAYMENT OF FUNDS

Subject to the information available at the time, the College Dean (or nominee) may request that the payment for the semester in which the breach of conditions or withdrawal occurs be refunded in part or in full.

11. PROVIDING FALSE OR MISLEADING INFORMATION

Selection for the Award is based on the information provided to the University. The Award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment for the Award.

12. TAXATION

Recipients are responsible for seeking independent taxation advice regarding their own individual circumstances. Student financial awards are regarded as taxable income if a recipient is enrolled on a part-time basis. If you are receiving Centrelink benefits, student financial awards may impact your Centrelink payments.
