RESEARCH SCHOOL OF ECONOMICS NEIL VOUSDEN MEMORIAL SCHOLARSHIP

CONDITIONS OF AWARD

1. INTRODUCTION

Each year the Research School of Economics ('RSE') within the ANU College of Business and Economics ('the College') may offer up to two awards known as Research School of Economics Neil Vousden Memorial Scholarship ('the Award').

The objective of the Award is to reward high calibre students enrolled in the Master of Economics program.

Funding for this Award has been provided by the Research School of Economics. The Award was established in memory of the late Dr Vousden, a Reader of the-then Faculty of Economics and Commerce.

2. BENEFITS

The value of the Award is stated in your letter of offer. The duration of the Award is for one year. The Award is paid in equal instalments after census date each semester unless otherwise stated in the letter of offer.

The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of the Award are responsible for the costs of books, study materials, accommodation and all other costs of study.

3. ELIGIBILITY

The Award is available each year to a current ANU student who:

- (a) is a domestic or international student; and
- (b) is enrolled in the RSE Master of Economics program; and
- (c) has completed the first 48 units of compulsory courses in the RSE Master of Economics program.

4. APPLICATION

There is no application as students are automatically considered based on them meeting the eligibility criteria or conditions prescribed under the Eligibility section.

5. SELECTION

Selection is made on the basis of students meeting the eligibility criteria and academic merit. Eligible students will be placed on a merit list according to their grades in the four mandatory courses of the second semester of the RSE Master of Economics (ECON8013, EMET8005, ECON8025, and ECON8026). If grades of top performers are very close in these four courses, then grades in the other compulsory courses taken in the first 48 units of the Master of Economics (ECON7073, ECON7074, EMET7001 and STAT7055) will be used for selection.

If any eligible student has a solo-authored paper published in an A* ranked journal (Deans ABDC) in a journal in the FOR 14 Economics, then this student may be given special

consideration by the RSE selection committee even if grades in courses are not as high as those from other students.

The Award is offered to a student by a selection committee chaired by the Director, Research School of Economics which will also include the Deputy Director (Education), RSE (or nominee) and the Postgraduate Program Convenor, RSE (or nominee).

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of students (where funds allow).
