Energy Research Supplementary Scholarship

CONDITIONS OF AWARD

1. INTRODUCTION

Each year the Institute for Climate, Energy and Disaster Solutions ('the Institute', ICEDS) may offer one award known as the Energy Research Supplementary Scholarship ('the Award').

Funding for this Award has been provided by the Institute. The Award will be funded from existing funds derived from external consultancy and related income sources via ICEDS. Scholarships will be advertised and awarded only in years where the maximum cost of a scholarship (AU\$30,000) is available to be dedicated.

The ANU Institute for Climate, Energy and Disaster Solutions (ICEDS) connects people with climate, energy, and disaster-risk research from the Australian National University to advance innovative solutions and facilitate integrated approaches to research, teaching, policy, industry, and community engagement across disciplines. The objective of the Award is to support an outstanding domestic¹ or international² candidate to enable them to pursue a Doctor of Philosophy program in an emerging field in energy research, based at the ANU.

2. BENEFITS

The value of the Award is stated in the letter of offer. The Award will be paid in fortnightly instalments, unless otherwise stated in the letter of offer.

The Award provides a supplementary scholarship to a candidate who holds an ANU approved higher degree by research (HDR) stipend scholarship, such as an Australian Government Research Training Program (AGRTP) scholarship or similar. The recipient is responsible for making payment of all tuition fees by the prescribed date as set out by the University each session. Recipients of the Award are responsible for the costs of books, study materials, accommodation, and all other costs of study.

A recipient may apply for unpaid program leave on personal grounds. If the leave does not exceed a total period of 12 months during the duration of the Award, the recipient may resume the Award at the completion of the leave.

Program leave exceeding a total of 12 months will only be considered where there are exceptional circumstances beyond the control of the recipient and must be approved by the Delegated Authority in the College.

Unpaid program leave is aggregated and awarded only in one-week blocks for a full-time recipient and two-week blocks for a part-time recipient.

A recipient must apply for unpaid program and scholarship leave by completing the relevant section of the Manage my Degree - HDR form in ISIS.

Energy Research Supplementary Scholarship (127/2024)

Other factors such as the candidates demonstrated exceptional research potential, connections to related industry, business and/or other higher education institutions, as well as demonstrated potential for collaboration with the Institute in future research will also be taken into account.

This scholarship will be awarded with consideration towards encouraging gender diversity in energy-related fields.

The Award is offered by a selection committee chaired by the Head of Energy, ICEDS, and will include at least two other academic ICEDS staff members.

The selection committee reserves the right to make no award if it considers there is no applicant of sufficient merit. The selection committee may also vary the number of Awards and/or offer the Award at other times in exceptional circumstances or based on the standard of applications or students (where funds allow).

8. CONCURRENT HOLDING OF AWARDS

A recipient of this Award is required to remain enrolled full-time in an eligible program of study for the degree of Doctor of Philosophy at the Australian National University.

A recipient of this Award is required to continue to hold an approved ANU HDR stipend scholarship at the minimum AGRTP base rate.

A part-time Award may be offered or approved if the recipient has reasons acceptable to the University which preclude full-time study for part or all of the program of study. In these circumstances the duration of the Award will be reduced by the periods of study undertaken towards the degree during suspension of the Award (unless the study was undertaken overseas as part of a Commonwealth Government financially supported international postgraduate research scholarship or award).

The University may suspend the Award where a recipient has:

- (a) outstanding fees; or
- (b) an outstanding debt with the University; or
- (c) outstanding HDR program milestone/s; or

(d) been found to be in breach of a statute, rule or policy or procedure of the University.

The Award will be suspended when at least five working days have passed since the University advised the recipient in writing that the milestones, debt and/or fees are outstanding, until the milestones have been met or the outstanding fees and/or debt have been paid. Under these circumstances, the recipient will forfeit payment of the Award for the period of time that their Award is suspended.

The Award ceases or should be surrendered:

- (a) if a student no longer meets the eligibility requirements;

- (e) if a recipient changes their program or course without permission to retain the Award;
- (f) if a recipient breaches academic or behavioural standards set by the University under the *Discipline Rule (2021)* and *Academic Integrity Rule (2021)*;

whichever is earliest.

13. REPAYMENT OF FUNDS

A recipient who is taking leave from their program, or changing their enrolment intensity from full-time to part-time, must submit the prescribed [Manage My Degree - HDR](#) form in a timely manner and, where possible in advance, in order to avoid receiving an overpayment of their Award. In circumstances where an overpayment does occur, these will be recovered in accordance with the ANU Procedure - Overpayments.

14. PROVIDING FALSE OR MISLEADING INFORMATION

The Award is based on the information provided to the University. The Award may be withdrawn at any stage if incorrect, false or misleading information is provided or relevant information is withheld. This includes circumstances where the false information is unrelated to the assessment for the Award.

In exceptional circumstances and on a case-by-case basis, section 7 of these Conditions of Award may be varied by the Dean on the recommendation of the chair of the selection committee.

16. TAXATION & CENTRELINK
