

Application for JCSMR HONOURS SCHOLARSHIP

Please note that this form only covers your application for a JCSMR Honours Scholarship – you will have to apply separately for admission to an ANU Honours program.

To apply for a JCSMR Honours scholarship you must be enrolled in Medical Research Honours (MEDN4001) or another cognate Honours course at JCSMR, and you must ensure your eligibility for enrolment in one of the Divisions in JCSMR (Genome Sciences and Cancer, Immunology and Infectious Disease, Neuroscience).

Please review the Conditions of Award, then indicate the JCSMR scholarship(s) you are applying for (tick one or more boxes).

Guidelines for Referees

To assist the selection committee, please write no more than one A4 page reference outlining your opinion of the applicant's qualifications, experience, research ability and suitability for Honours level study. If possible, please comment on the abilities of the applicant relative to their peers. Please state in which year(s) of the applicant's student career you have known them and in what capacity, for example, supervisor during a vacation scholarship.

The reference is requested from you and, if supplied, received by the University on a confidential basis and on the clear understanding that the University will do everything in its power to respect and maintain that confidence. The report will be disclosed only to those immediately involved in the selection process.
