## OXFORD AUSTRALIA AND CLARENDON SCHOLARS

The James Fairfax, Brasenose College and Lincoln College Oxford Australia, now have the support of additional Clarendon funding (set up in 2000) which provides coverage of all university and college fees plus a living allowance. For each of these, the selection of one scholar at a time is made by Oxford University.

In 2022, the Oxford Australia Scholarship Committee was able to make five awards. Three scholars were awarded Clarendon Scholarships by Oxford University, one linked to a James Fairfax Oxford Australia award and one to a Lincoln College Oxford Australia Scholarship. Two Honorary Oxford Australia Scholarships were awarded, one to a scholar with a University of Sydney Peter Cameron Scholarship and one to the third Clarendon scholar.
